How to Volunteer

With a current Texas bar license, you can volunteer at one of our legal advice clinics or represent a client pro bono. To volunteer at a legal advice clinic (no obligation to take a case), register online or e-mail our Pro Bono Coordinator.

Find a pro bono case that is right for you by using our Pro Bono Portal, where you can:

- Search our live list of waiting cases
- Sort by law type
- Immediately download the documents you need
- Access legal resource materials, including digital forms
- Contact the staff attorney mentor assigned to your case

Sign up for e-news about upcoming events, available cases, and training opportunities!
