How Do I Access the HVL Pro Bono Portal?

HVL has launched a new Volunteer Portal!

The Pro Bono Portal is a wonderful tool that allows you to see a live list of HVL's waiting cases, sort and filter them by law type, client profile, language, and more, download case documents, and access resources such as mentor contact information, forms, and CLE material.

This is a new hosted service, so click the link below to sign in. If you had a login on the old Portal, your username and password should be the same. If your old password fails to work, it did not meet the new site's security requirements.
