Big Give Houston 2018

Houston Volunteer Lawyers is happy to announce that it is participating in Big Give Houston 2018, on #GivingTuesday, November 27.

Each donation helps HVL to continue its mission to provide free legal services to low-income residents of the greater Houston area and to promote volunteerism among lawyers. Each donation is an investment, which provides necessary estate planning documents to veterans; assists a Harvey survivor with clearing title to her home so that she is eligible for recovery assistance; promotes family stability as couples are able to divorce and clear expectations for child custody and support; protects a tenant from being wrongfully evicted; or assisting a survivor of domestic abuse to escape her abuser and breaking the cycle of abuse. These are only examples of the work that our volunteer attorneys do, and for whom HVL provides support, mentorship, and engagement.

We hope that you will consider Houston Volunteer Lawyers as part your #GivingTuesday plans.

To donate, visit our profile page.

If you are interested in sponsoring a matching donation campaign or a personal social-media fundraiser, please email probono@hvlp.org.
