Houston Volunteer Lawyers helps survivors of Domestic Violence with the family legal matters, including obtaining a divorce and securing custody of the children. The Crime Victims Program at the Texas Legal Services Center helps victims and survivors of Domestic Violence get Protective Orders throughout Texas.

Training, resources, and support are provided each and every step of the way. Every case at Houston Volunteer Lawyers or Crime Victims Program at Texas Legal Services Center has a staff attorney mentor

There will be opportunities before and after the CLE to sign up to volunteer to take cases from either Houston Volunteer Lawyers and Texas Legal Services Center. Volunteer Crime Victims

cases will count towards an Equal Access to Justice Champion's commitment.
