CLE: Annual Guardianship Seminar & Ad Litem Certification

Guardianship Seminar & Ad Litem Certification

4 Hours CLE, 1.5 Hours Ethics, Ad Litem Certification

HVL's popular guardianship seminar returns for its fifth year. HVL often sees either parents looking to obtain guardianship of their disabled child who is turning 18, or adult children seeking to help an elderly parent. Any attorney filing an application for guardianship must be certified by the State Bar of Texas. This course provides the required certification. The seminar is free if you accept a pro bono guardianship case through HVL or \$75.
