

HBA & HBF's Harvest Celebration Peer-to-Peer Challenge

Houston Volunteer Lawyers (HVL) has been serving the community for 40 years! In celebration of this milestone, we are kicking off a challenge to encourage Houston's entire legal community (attorneys and non-attorneys) to donate time or treasure to wipe out HVL's case waitlist and help to close the justice gap.

Volunteer

HVL has numerous opportunities for attorneys and non-attorneys to help clients in need. Please consider donating your time and talent to volunteer at a level that honors the 40th anniversary of HVL, such as:

- 4 hours
- 40 hours
- Any other amount

Donate to the HBA & HBF's Annual Harvest Celebration

Consider giving in any amount that honors the 40th anniversary of HVL. 100% of net proceeds from the Harvest Celebration benefit HVL.

We are asking the entire legal community to pledge hours or dollars during this five-week challenge, which runs from September 20 - October 22. But you can fulfill your commitment at any time from now until June 2022. Sign up at:
